MENU

Welcome to Bevere Café where our aim is to serve you tasty home cooked food with lots of local ingredients and some from farther afield

Where possible we use meat, fish, bread, vegetables and cheeses from local businesses so we can be assured that we are supporting other small businesses

Our daily special dishes cater for those who enjoy meat and those who don't. Whilst our kitchen is not gluten or nut free, we always have gluten-free and nut free food on the menu

If you've enjoyed your visit and our food, please do tell your friends and family – if for some reason you've not, please tell us so we can do something about it!
